Bunyip North Quarry EES Community Information Session - How to book your appointment
Thursday 17 September 2026, 5:30 pm to 7:30 pm Bunyip Hall, 38 Main Street, Bunyip VIC 3815.

About the session

Heidelberg Materials Australia (HMA) is hosting a community information session during the EES exhibition period. This is your opportunity to meet one-on-one with the technical specialists who prepared the EES impact assessments, to ask questions and discuss the findings and proposed mitigation measures.

Each appointment is 15 minutes - 10 minutes for discussion and 5 minutes for wrap-up and any remaining questions. Any questions we cannot cover on the day will be taken on notice and followed up in writing after the event.

Bookings are essential. Walk-in attendance is not available.
